

Make Your Own Ant

Make your own ant friend

You will need:

- Cardboard egg carton
- Black paint or colouring pens or pencils
- Pipe cleaners or straws
- Googly eyes or paper
- Glue

Instructions:

1. Cut the egg carton so you have strips of 3 egg cups to create the body
2. Poke 6 holes for the pipe cleaners/straws (legs), space them evenly
3. Paint or colour-in your egg cups
4. Glue on the googly eyes, or make the eyes out of paper
5. Insert the pipe cleaners/straws for the legs
6. You have now created your very own ant friend!
