

What Do I Need?

1. Flowers and leaves you have pressed and dried.
2. Glue.
3. Scissors.
4. Card.
5. Cocktail sticks - optional.

What Do I Do?

1. Lay your flowers out that you want to use.
2. Squeeze some glue onto a pieces of spare card - you don't need much.
3. Fold and cut your card to the size you want.
4. Use the cocktail sticks to place the tiny amount of glue you need.
5. Lift the flowers - they are very delicate with another cocktail stick.
6. Design your lovely card!
