

Smell Not, Taste Not

What Do I Need?

1. Potato
2. Apple
3. Knife
4. Blindfold

What Do I Do?

1. Chop the potato and apple into chunks the same size.
2. Blindfold the taster.
3. Mix up the chunks and ask the taster to pinch their nose closed.
4. Ask the taster to try both and say if its potato or apple.
5. Record the answers - right, wrong or couldn't tell then try someone else!
