

THE LORD PROVOST STEM INSPIRATION AWARD

As part of Dundee Science Festival 2026, our *STEM-tastic* schools competition is back!

Primary school children from across Dundee are invited to create a poster on: *What will artificial intelligence (AI) look like in 25 years?*

Entries must be submitted by **Thursday 29th January**, and will be displayed at Dundee Science Centre from **2nd – 22nd February**.

The winner and their class will be invited for a **FREE visit to the centre on Friday 20th February**, to receive a trophy and prizes from the Lord Provost of Dundee! The visit will also include time exploring our exhibits and festival exhibitors - alongside a hands-on workshop all about the water cycle!

The winner's visit is **FULLY FUNDED**, with admission & transport kindly sponsored by Scottish Water.
